

Spartan Daily Campus Will Be Scene Of Helicopter Landing

SAN JOSE STATE COLLEGE

Vol. XXXVIII San Jose, Calif., Thursday, June 15, 1950 No. 155

Run-off Tally Selects Head From Cover

Spartan Head No. 1, which was taken from the Spartan book cover, emerged the winner of the Spartan Head contest, in a run-off election yesterday.

Compared to Monday's voting, yesterday's tallies were fairly decisive. Head No. 1 claimed 19 votes, Head No. 2 received 11, Head No. 3 received 5 votes, and one voter indicated no preference.

The announcement was made by Ed Mosher, Rally committee chairman, at a meeting of the Rally committee last night, the last of the quarter. According to Mosher, construction of the heads will be done by the Art department during the Summer Session.

News of the song contest was revealed by Miss Barbara Bentley, song contest chairman. Twenty-five songs were received during the contest, which ended last Monday.

"All the entries are good," Miss Bentley said "and the winning song will be selected tomorrow night (tonight) when music faculty members meet to complete contest judging."

"Entries have been narrowed down to six, and from these the winning song will be chosen," Miss Bentley said.

Last night's meeting was also the scene of an election in which John Piotti was elected assistant chairman of the Rally committee for next year. He replaces Dean Price, who will be graduated.

A plan to welcome all junior college transfer and freshman athletes entering San Jose State college next year was revealed by Mosher. JC transfers will arrive this summer and will be met on arrival by several members of the Rally committee, who will acquaint them with the college, campus organizations and students.

Senior Ducats Still Available

Today and tomorrow will be the last times for students to purchase Senior Ball bids, according to Russell Benioff, dance co-chairman. The white leather-bound bids sell for \$3.60 in the Graduate Manager's office.

Saturday night the Jockey club of the Bay Meadows race track will open its doors to approximately 1000 San Jose State college seniors and their guests.

"The traditional senior class-sponsored dance promises to be the most outstanding event of the year. No expense has been spared to make it just that," Benioff said.

Couples will dance from 9 p.m. Saturday night to 1 a.m. in the flower-decked club house in San Mateo. Music will be furnished by Freddy Martin and his orchestra. Feature entertainment of the evening will be the musical stylings of the "Martin Men", and the songs of Merv Griffin, popular young singer.

Patrons for the evening will include Dr. T. W. MacQuarrie, Dean Helen Dimmick, Dean Paul M. Pitman, Mrs. Izetta Pritchard, Dr. and Mrs. Robert Rhodes, and Dr. and Mrs. Carl Rich.

President Leaves

William D. MacQuarrie, son of Dr. T. W. MacQuarrie, president of San Jose State college, will receive a Ph.D. degree in education from the University of Southern California on Saturday, July 17. Dr. T. W. MacQuarrie will journey south for the exercises.

All decked out in swim suits in preparation for the junior class swimming party today are (left to right) Miss Barbara Deiss, Miss Donna Plank and Miss Wilma Loomis. The automobile, which is also in the picture, will be used to lead the procession to Club Almaden at 4:30 o'clock this afternoon.

Junior Shindig Features Sports

By ED CONKLE

A gaily bedecked procession of cars will leave at 4:30 o'clock this afternoon to open "Junior day" festivities at Club Almaden.

The spirits of quarter-weary students will be lifted from exam fitters with such activities as swimming, baseball, basketball, a wiener feed, and dancing. A warm obliging sun for the afternoon frolickers seems all that remains to be desired.

R. Whitall Wins Annual Kiwanis Oratory Classic

Robert Whitall, sophomore political science major, won the first annual extemporaneous speaking contest, sponsored by the San Jose Kiwanis club last night in the Studio Theater.

Whitall chose the topic of political science and spoke on the subject, "What is right about the political party in the American political system?" He explained to the audience how the present two-party system is "right with America."

David Tieck, junior radio speech major, managed to nose out Sam Datri, senior engineering major, for second place. Mr. Wilbur F. Luick, contest director, indicated that the first six places were very close in the judges' balloting.

Mr. Luick stated that Whitall, Tieck and Datri will give their same speeches before the Kiwanis club on June 23. The cash awards for first, second, and third places were \$20, \$10 and \$5.

Other speakers were John Mix, Seymour Abrahams, Norwood Elrod, Willis Morris, Glyndon Riley, and Meradel Vaughan. Judges for the event were Mr. Richard Conniff, representative of the Kiwanis club and member of Alum Rock school board; Dr. George Bruntz of the Social Science department, and Bill Johnson, former SJS debator and currently on the varsity debate squad at Northwestern university.

ROTC Colors Fly in Parade

The San Jose State college ROTC color guard marched in yesterday's Flag day parade, according to Lt. Col. Thomas Lee, head of the air ROTC department.

The new ROTC colors were paraded in the affair sponsored by the San Jose Lodge of the Brotherhood of Elks.

Internes Meet

All 1950 summer Journalism internes are requested to meet in the Spartan Daily office at 1:30 p.m. Thursday, June 15, according to an announcement from Mr. Dwight Bentel, head of the Journalism department. The meeting is a must.

Craft Will Settle on Grass By Quonset Shop Tomorrow

By RON MARCUS

UP ROUND-UP

White Haze Called Salt Smog Covers Pacific Localities

HONOLULU, T.H., June 14—A white haze—dubbed a "salt smog"—blanketed more than 3,000,000 square miles of the Pacific today and weather experts said it would remain until strong winds blow it away. Most of the haze is composed of evaporated salt, which was trapped beneath a layer of dead air at the 8000-foot level when the usual trade winds died. R. H. Simpson, chief of the Honolulu airport weather bureau, denied the fog had any connection with a possible atomic explosion.

COMMUNIST CONGRESS

BERLIN, June 14—The East German Communist youth organization announced today that it would hold a "congress of 6000 young peace fighters" somewhere in the West German Ruhr September 1. The Western powers were expected to bar the rally on grounds that it is designed to cause unrest in the West.

RUSSIAN BUDGET HIGH

MOSCOW, June 14—The Supreme Soviet (parliament) considered today a new 1950 budget calling for military expenditures of 79,400,000,000 rubles (\$19,850,000,000 at the official exchange rate). The proposed military expenditures constituted 18.5 per cent of the total 432,000,000,000 rubles money bill.

BIRTH RATE HIGH

WASHINGTON, June 14—College graduates are doing their bit to keep up the nation's birth rate, a survey showed today. On the west coast, California's college graduates showed up favorably. The Population Reference Bureau, over a period of five years, studied five California colleges: University of Redlands, Occidental, Pomona, Whittier and Mills colleges. Top honors went to Redlands, whose male graduates of the year 1950 have 1.72 children each.

Lyke Sales Hit Record Number

Lyke, the college humor magazine at San Jose State college, has had the largest sale of any issue, according to an announcement from Lew Bell, editor.

By late afternoon, after a day of rush sales, there were still a few copies remaining. The campus booths selling the magazine yesterday will be open again today to sell the remaining copies, which are expected to be sold rapidly.

Second Guess

Somehow they just don't look right. Los Angeles is supposed to have sole priority on early morning smog. Maybe those dismal pre-noon skies are moaning prematurely over next week's senior departure. Look for higher readings today over yesterday's high of 72 and low of 50. Post-noon skies were clear.

Tomorrow at 12 noon, weather and mechanical condition permitting, two representatives from United Helicopters, Incorporated, will land one of their late-model crafts on the San Jose State college campus.

According to Mr. Tom Leonard, aeronautics instructor, the purpose of the flight is to present officially the "Commuter" helicopter, now property of the college Engineering department.

Mr. Leonard said that he received a telephone call from a UHI representative yesterday who said that company officials definitely would be on hand to make the presentation.

He said UHI representatives have been supplied with maps of the campus, and will land their new helicopter on the section of grass in front of the Aeronautics quonset shop.

"If the weather is bad, they will have to drive down instead of fly," Leonard said. He added that the helicopter the representatives will fly has been undergoing special tests and there is a possibility that mechanical difficulties will make the flight inexpedient.

The "Commuter" was donated to the college earlier this month on a "permanent loan" basis by Mr. Stanley Hiller, head of United Helicopters. According to Mr. Leonard, the craft will be used in various ground courses.

Mr. Leonard pointed out that Mr. Langhorne Washburn, UHI official, and Mr. Hiller, head of the company, were the men responsible for the donation of the "College Copter".

Tea Honors The Pitmans

A surprise going away tea was given yesterday afternoon for Dean and Mrs. Paul M. Pitman at the Student Y house. The affair was sponsored jointly by the San Jose State college Christian association board of directors and the Student Y. More than 75 guests attended the afternoon event.

In recognition of their services to the college, the Pitmans were presented with a lace table cloth by Ron LaMar, president of the Student Y. LaMar and Mrs. Izetta Pritchard, assistant dean of women, acted as joint-chairmen for the surprise tea. Miss Helen Dimmick and Mrs. Lyle Downey poured.

Special guests at the tea honoring the Pitmans were past as well as present members of the board of directors.

11:30 Practice

Baccalaureate rehearsal will be held this morning at 11:30 o'clock in the Morris Dailey auditorium. Graduating seniors are asked to meet promptly at that time.

Seniors are requested to report no later than 2:15 p.m. on Sunday, June 18, for the Baccalaureate services. The march will begin at 3 p.m. Dean Paul M. Pitman will be the principal speaker. Services will be held in the Men's gym on campus.

Caps and Gowns

The seniors' caps and gowns have arrived here, according to Mr. R. M. Atkinson, manager of the Spartan Shop. He asks seniors to pick them up today instead of waiting for the last minute rush tomorrow.

Alumni Gather At Homecoming

Another step in the direction of consolidating alma mater spirit and tradition will be taken by students, faculty, and alumni in San Jose State college's annual Homecoming Day Saturday.

Foremost in the minds of the expected half-thousand participants is the theme of "backing" the institution that had its inception in 1862.

Announcements

Kappa Delta Pi Officers: Council meeting and initiation this afternoon at 3:30 o'clock in Room 161 to clear up all odds and ends.

Kappa Delta Pi: Don't forget to bring eating utensils, banjos, and "ukes" to the barbecue tonight at the college barbecue pits near the Women's gym.

Class of '50: Seniors! No bids to the Senior Ball will be sold at the door. All tickets must be obtained by Friday.

Tau Delta Phi: 7:15 o'clock meeting tonight in the tower to lay breakfast plans and elect officers.

Seniors: Pick up Senior Week Activity tickets by Friday. Tickets may be obtained in the Morris Dailey foyer.

Alpha Delta Sigma: All old members and new pledges are urged to sign up today for Friday night's banquet. List is in the Spartan Daily office, ad department.

Senior Council: Last meeting today at 3:30 p.m. in the Student Union.

Newman Club: Regular meeting tonight at 7:45 o'clock.

Silver Sabers: Installation of officers and refreshments are on the agenda at 8 o'clock tonight at the home of Harry Russell, 394 N. 20th street.

The first Homecoming Day was held back in the gay nineties, according to Miss Doris Robinson, Alumni Association secretary-treasurer. From then on until 1925 class reunions were staged intermittently. For the past 25 years Homecoming Day has been a regular event, Miss Robinson said.

"Seeing graduates of many years ago re-visit the campus and renewing old acquaintances and memories is a pleasurable sight indeed," President T. W. MacQuarrie said yesterday.

"The mingling together of many groups of former Spartans is fine evidence of the interest in our college," he declared.

Dr. MacQuarrie will not be able to preside at Homecoming Day this year. Instead, he will attend graduation exercises at the University of Southern California, where his son Bill, a Spartan graduate of '35, receives his Ph.D. degree Saturday.

Dean James C. DeVoss will represent Dr. MacQuarrie at the big alumni rendezvous.

Alumni Association business will pervade the campus "open house" sessions Saturday. Retiring Association President Harry Hardiman will introduce his former football teammate, Bart Collins, present captain of the San Jose police detectives, as his successor at the barbecue luncheon program. Both Hardiman and Collins were graduated in '36. Hardiman also will announce the two winners of Alumni Association freshman scholarships.

Booths to accept contributions for the Alumni fund and the Memorial Chapel fund will be set up by Alumni Association representatives. The organization has pledged to contribute at least \$15,000 towards the estimated \$50,000 needed for the Chapel.

Chapel ground breaking ceremonies will include the playing of the Tower chimes and a special "brass choir fanfare" under the direction of Assistant Professor Forrest Baird. Commemorative addresses will be given by Mr. Lowell Pratt, Dr. Carl Duncan, Mrs. Alice Connolly Harris, Alumni President Hardiman, and Associated Student Body President Dave Down.

Dr. Paul Pitman will offer a concluding prayer.

Walters Conducts 'Musical Offering'

Pictured is Mr. Gibson Walters, who will conduct the Bach concert, "Musical Offering". The 45-minute piece is one of Bach's better known compositions.

Student-Faculty Group Presents Bach Concert

The Music department will present a Bach concert Friday, June 16, under the direction of Mr. Gibson Walters.

The concert will be a student-faculty presentation. Kay Fuller will play flute; Wayne Sorensen, oboe and English horn; James Canavero, English horn; Fred Dutton, bassoon; Gibson Walters and Warren Von Bronkhorst, violins; Frances Robinson, viola; Michael Donovan, violin-cello; and Winona Davis, piano.

Music Frat, Sorority Play American Works

Phi Mu Alpha and Mu Phi Epsilon presented an all-American concert yesterday afternoon at 12:30 o'clock. The concert featured three compositions of persons who have attended San Jose State college. The first portion of the concert was presented by the brass choir. They played "Atonal Swing" by Don Whitehead, 1948 graduate of SJS. Whitehead played trumpet while in college.

Eugene Graves was soloist in Wienberger's "Concerto for Timpani".

The brass choir also played "Brassy Prelude" by Ganz.

Members of the brass choir are Charles Wiser, Paul Maas, Rudolph Foglia, Philip Becker, horns; Joe Guthrie, Albert Cognata, Ellis Shepard, trumpet; Gerald Finch, Howard Carlson, Warren Larson, trombones; and Glyndon Riley, bass. The choir was conducted by Mr. Forrest J. Baird.

Vocal solos were given by Priscilla Phillips, contralto, and Kenneth Mullen, baritone. Phillips, who was accompanied by Phyllie Terra, sang "I Wonder as I Wander" by Niles, and "Come Then at Night My Love" by Kountz. Mullen sang "Ay Gitano!" by Eakin and "Sing a Song of Sixpence" by Malotte. He was accompanied by Helen Kimzey.

The woodwind ensemble played three numbers. Wayne Sorensen's "Passacaglia" (quintet) was written for an advanced composition class at SJS. Mr. Sorensen is an instructor here.

"Quartet in F" was written by Fred Dutton, who was music director for the 1949 Revelries.

Members of the ensemble are Katharine Fuller, flute; Arthur Margiotta, clarinet; Fred Dutton, bassoon; Wayne Sorensen, oboe; Wiser, horn.

Students Pass Spanish Exams

The Modern Languages department has released the names of students who passed the comprehensive Spanish written examination given last Thursday.

Out of 15 students who took the examination, eight passed and three failed.

Summer Skeds

Schedules of classes for summer session, 1950, are now available at the Spartan Shop for 10 cents. The schedule covers the courses for the nine, six and three week sessions.

D. L. James Resigns From Teaching Post

The San Jose State college Engineering department received a blow this week when Mr. Donald L. James, assistant professor of engineering and aeronautics, announced that he would resign his post here to accept a position with Lockheed Aircraft corporation.

The information was released yesterday by head of the aeronautics section, Mr. T. E. Leonard, who said that James will leave for the place of his new employment, at Burbank, California, as soon as the quarter is over. His new job will consist of being one of the top men in Lockheed's aerodynamics design and research division.

SC Penwomen Sponsor Local Story Contest

A short story contest, open to women of Santa Clara county, is being sponsored by the National League of American Penwomen, Santa Clara county branch. Only non-league members may enter.

Cash awards of \$10 and \$5 each will go to winners of first and second place respectively. There will be three honorable mentions.

Only one story of not more than five hundred words may be submitted by each contestant; manuscripts must be submitted anonymously, each being accompanied by an envelope bearing the story title on the outside and the author's name sealed within. This sealed envelope should be mailed to the contest chairman between August 6 and 15. Mrs. William Smith, 1736 Cowper, Palo Alto, is chairman of the contest.

MONTGOMERY HOTEL
22 W. San Antonio

Leonard expressed his deep regret that James was leaving San Jose State, and stated that he would be sorely missed by the other faculty members and students as well.

"His college background as well as his actual experience in the field made him of high importance to the department. The loss of his valuable experience will be keenly felt," Leonard said.

James came to San Jose in 1946 and began the task of rebuilding the aeronautics program, which became de-emphasized during the war. Aside from that, James was active as adviser to Alpha Eta Rho, campus chapter of international aviation fraternity and as both member and adviser to the Spartan Flyers and Flying 20.

A graduate of the University of California with a B.S. degree in engineering, James formerly was employed as flight engineer with Pan American Airways. He was later head of the maintenance division for PAA at Miami Beach.

While in the Army Air Corps, James was in charge of the long-range, cruise-control school, and worked closely with the Air Transport Command. He was discharged as a major. After separation he attended Stanford and received his master's degree in aeronautical engineering.

San Francisco Pastor Speaks Today to CCF

The Rev. W. C. Lattel, pastor of the First United Presbyterian church of San Francisco, will speak to the final meeting of the Collegiate Christian Fellowship today at 12:30 p.m. The last gathering of the CCF this quarter will be held in Room 124.

Before this year, Rev. Lattel was pastor of a church in Ohio. He has been working for the past year with Vernon Morgan, sponsor of the IVCF at the University of California. Rev. Lattel has led many varied activities this year for Horton hall, near the Bear campus.

Krikorian Nips Bulwa For SJS Net Crown

By J. J. ERROTA

Arra "Butch" Krikorian, 27-year-old freshman, won the All-College tennis tournament on the Spartan city courts yesterday with a straight set victory over defending champion Chet Bulwa. In the first round losers division, Julie Menendez beat Jim Council in the finals, and Hank Hilburn defeated Wayne Thiebaud for the second round losers championship.

Hilburn goes after a second crown today, meeting Dave Gray for the non-PE division title. Gray qualified for the final round by downing Les Halliday in two sets, 6-2, 6-4.

Krikorian's triumph climaxed two weeks of bitter net action in what Tourney Director Ted Mumby described as "the most successful All-College tournament since I've been here".

Bulwa was after his third consecutive open division title, but could not cope with his adversary's great all-around net play. Krikorian won a tough first set by 6-4, but had to display his great assortment of strokes to defeat Bulwa in a long second set, 11-9.

These two performers met each other Sunday. Sunday's match was for the San Jose City

title. Krikorian won that one in straight sets, 6-4, 7-5.

Both open division finalists received cups for their efforts. Finalists in the remaining three divisions received medals. Hilburn, being a finalist in two divisions, has won two medals.

Hilburn's victory over Thiebaud in the second round losers class came as a mild surprise. Hilburn pulled the first upset of the tournament, blasting Bud Wilkinson in the very first round of action.

In the second heat of second round losers play, he was extended to three sets by Don Miller, prevailing by 4-6, 6-1, 12-10. He defeated Van Dusen in straight sets in the semi-finals before downing Thiebaud yesterday, 6-3, 6-4.

Menendez won in the first round losers class without much trouble. He tripped Council in the finals, 6-0, 6-1. The Santa Clara university boxing tutor and San Jose State college graduate student, breezed through his division opposition without losing a set. His only loss was to Don Gale in the opening round.

In today's non-PE finals, Hilburn is favored to win his second championship medal.

Gophers, KKG Cop WAA Loop

With WAA softball tournament competition at an end for the year, the Gophers of League I and the KKGs of League II have emerged on top.

Two of the tournament teams went to other campuses to compete with their women's teams during the spring quarter.

Final standing:

	W	L
League I		
Gophers	4	0
Gamma Flies	2	2
Prestidigitators	2	2
Chi O Pearls	2	2
Woodpeckers	1	3
League II		
KKG	3	0
Fly Pie	1	2
Sluggers	1	2
Fighting Irish	1	2

Perry Wins At Campbell

By ROD RODRIGUES

Named last March as San Jose State college football line coach was ex-Spartan quarterback William "Bill" Perry. Bill was appointed to fill the position left vacant by line mentor Bob Bronzan who moved up as head coach in place of Bill Hubbard, now director of athletics.

Perry first donned the mole-skins for the Spartans back in 1941 under "Bud" Winter as a frosh footballer, the first of three coaches he has played under at Washington Square. In

1942 Bill played his first varsity ball as a blocking back under Glenn "Tiny" Hartranft, now head of the P.E. department, before joining the Army Air corps early in 1943.

From 1943 to 1946 Perry wore khaki, playing football at the University of Oklahoma for a short time for his only contact with the grid game during the war.

Returning to San Jose State in 1946, Perry won the varsity guard berth under Head Coach Bill Hubbard and Assistant Coach Bob Bronzan. In 1947 he was switched to quarterback in his last year of varsity competition. He also earned athletic honors performing for the track and basketball teams while here at San Jose State.

In 1948 Perry was appointed assistant coach at Campbell high school in football and basketball. He took over the driver's seat in 1949, as head coach, and his Buccaneer team compiled a 5-3 record under his tutelage.

Perry was happy when appointed as assistant to Bronzan from whom he has learned most of his football. In addition to his football coaching chores, he handles physical education classes and has taken over as director of intra-mural sports from Ted Mumby, Spartan wrestling mentor.

Bill makes his home in Campbell, where he resides with wife Joyce, and four-year-old son, Robin.

Raiders to Play Wisconsin Five

The signing of Wisconsin university Wednesday brought to four the number of games on the docket for the basketball team junket in December. The Spartans will meet the Badgers in Madison, Wis., December 28.

The trip, which will be highlighted by the contest in Madison Square Garden on Dec. 30, against Manhattan college, also includes hoop battles with Beloit college on Jan. 4, and Hamline university on Jan. 6.

Dutch Johnson Hurls No-Hitter over SAE

By FERMO CAMBIANICA

Sparked by the brilliant no-hit pitching of "Dutch" Johnson, the Kern County Moonshiners won the Intramural softball league championship yesterday afternoon by handing Sigma Alpha Epsilon a 4-0 defeat at Burnett field before 40 spectators.

If the SAE players never see Johnson again it won't be too soon for them as only one man reached first base, and that was via a base-on-balls.

In fact, only four players got a piece of the ball, as only two pop-ups, a bunt, and a foul tip were allowed by the strong-armed right hander of Wade Wilson's Moonshiners. "Dutch" struck out 18 batters in seven innings, the first 12 going down in order via the strike-out route.

Jack Blackwell of SAE also turned in a fine performance, holding the opposition scoreless until the top of the sixth frame, when all four of the Moonshiners' runs crossed the plate. Blackwell should receive some consideration as all four of the runs were unearned.

The fraternity right-hander struck out seven Hillbillies, but gave up six walks, and was aided no end by four errors, three of which came in the big sixth inning. Blackwell also put a man on first when he hit third-sacker Marion Sullivan.

Catcher Orel Prewett started things off for the Moonshiners in the sixth with a single to right field, and circled the bases when

the ball went through the legs of right fielder Sheldon Williams. Bob Dubbers followed with a double to left field, and went into third when left fielder Bill Peck threw wild to second base.

Amos Cook, keystone sacker, drew a base-on-balls, and went to second when no play was made on him with a runner on third base. Dubbers and Cook crossed the plate when short fielder Bob Hilburn singled to left field. After a strike-out, Bob Summer walked to put runners on first and second.

JUST THREE
MORE DAYS

to select that gift for Dad's Day. Here are some last-minute suggestions:
